Dear Sir

MN2.10 Land at Sandbrook Road, Ainsdale

I have been asked to provide a formal statement regarding the above.

I have been employed by Sefton Council since September 1985 as a Chartered Surveyor working within the Estates Department, dealing with the Council's land and property assets. Currently I hold the position of Property and Facilities Manager.

During my time with the Council, to the best of my knowledge, I was not aware that the land to the rear of the Meadows Home had, or has ever, been used as a football pitch.

I played football for Tarleton Corinthians in the Southport and District Football Leagues on Saturdays and Sundays from 1975 through to 1990. During this time, whilst I played on the Council pitches at Sandbrook Road, to the rear of Woodvale Community Centre, I never played on a pitch to the rear of the Meadows. To the best of my knowledge, I was not aware that there was a football pitch in this location.

Yours sincerely

Andy Bond BSc MRICS
