Sefton Burial and Cremation service provide memorials across all our cemeteries and crematoria:

Duke Street Cemetery

Liverpool Road Cemetery

Bootle Cemetery

Thornton Cemetery/Garden of Rest

Southport Crematorium

For further information and photos of dedicated memorials please see Sefton Council website.

Cremated Remains

If a burial of cremated remains is desired, cremated remains graves (half size graves can accommodate up to 6 sets of cremated remains and a full-size headstone) are available at Thornton Cemetery (Thornton Garden of Rest) and Liverpool Road Cemetery (Southport). Should this be of interest, further details can be obtained from the offices detailed on the front cover.

If, however you would prefer your loved ones cremated remains to be laid to rest within the crematorium grounds, they can be strewn in the ground, in the memorial garden (Southport Crematorium or Thornton Garden of Rest). Although you will not be able to permanently mark the spot, you may lease a small plaque on a central memorial or choose an alternate memorial option to commemorate the deceased.

Burial & Cremation Memorials

Memorial Plaque (central memorial planter) – Southport Crematorium and Thornton Garden of Rest only

Granite plaques may be leased for a period of 10 or 20 years. This option is available in memory of any person, irrespective of where their remains may be. The fee includes an inscription of up to 100 letters WITH a choice of motif or 110 letters WITHOUT a motif.

Additional inscriptions cannot be accommodated at a later date, however a replacement plaque can be ordered within the first 5 years of the lease period (the lease date will remain unchanged). Alternatively, a new plaque with a 10-year lease can be ordered.

Memorial Plaque on a metal stand (family shrubs) – Southport Crematorium and Thornton Garden of Rest only

Dedicated shrubs, kerbstones and brass plaques are no longer available. Replacements are however available to families with an existing memorial.

Benches

Frequent visitors to our sites have benefited from additional seating near the resting place of their loved ones. There are two types of benches, granite (inclusive of 2 plaques) or recycled plastic (inclusive of 1 plaque). New benches are leased for a 10-year period. Prior to the lease expiry you will be given the option to renew the lease at the renewal fee (applicable at the time of renewal). The wooden benches are now a discontinued memorial. However, if you have a pre-existing lease, renewals are available (subject to bench conditions).

When donating the bench to the Council the applicant should note that whilst specific locations can be requested these cannot be guaranteed. The Council reserve the right to relocate the bench at any time. Once donated the bench becomes the property and responsibility of the Council. Please take into consideration the bench is within a public environment therefore the Council does not permit further memorialisation of benches, including the leaving of flowers, mementos or photographs.

Book of Remembrance

The Book of Remembrance is permanently displayed at both Thornton and Southport crematorium. This provides an inexpensive and lasting memorial.

The book will be open each day at the appropriate page in order that the entry may be seen on every anniversary of the chosen date. One entry between 2 and 8 lines is permitted. For inscriptions of 3 lines or more, a badge, flower or crest design may be chosen to appear alongside the entry. You may also select a more personal motif (please provide an image with your order). This skilled work is executed by hand.

The Book of Remembrance is also available to view online at <https://thornton.alwaysloved.xyz/> and <https://southport.alwaysloved.xyz/> (Inscriptions will be available to view online within 12 months of the inscription being entered in the book).

Miniature Books and Memorial Cards

Friends and relatives may wish to have a copy of the inscription as it appears in the Book of Remembrance, not only as a personal keepsake but also to send to those who cannot easily visit the crematorium to see the original entry. For this purpose, memorial cards and miniature books are available to purchase.

The memorial cards measure 7" x 5" and contain an inscribed copy of the Book of Remembrance entry. The miniature books are supplied with a decorative design. Inside they contain colour photographs of the crematorium and gardens with an inscribed copy of the entry. Further pages are available for future entries.
